Price: **Check with seller**

DetailsApplyJob DescriptionPosition Purpose:Associates in a Warehouse Support role may perform activities related to scheduling inbound and/or outbound activities in the Distribution Center; ensure inventory accuracy within the processing areas, system and process quality as well as vendor compliance and/or outbound shipment to our stores. They may also perform required administrative and general office/clerical duties in support of a particular functional area within the DC. Some Support roles may be responsible for ensuring the DC has required functioning hardware to allow associates to work efficiently and meet production and customer goals. Individuals in these positions must work cooperatively with other Associates, vendors, carriers, and productively with little/some supervision, be detail-oriented, and have proven time management skills. These roles will build relationships with internal Suppliers/customers and internal functional groups at the DC to drive quality and accuracy within the DC and service stores. Following Home Depot safety policies and procedures is of great importance in these positions. Specific Warehouse Support positions may include: Mechanic, Outbound Coordinator, Transportation Coordinator, Inventory Control Associate, AP Auditor, DC Systems Coordinator and Customer Service Coordinator Logistics, HR Coordinator, General Office Associate and Administrative Assistant.DetailsApply
